ADDENDUM 1.

Tender No. AFC/OT/02/2023-2024- Consultancy to support Apex Institution wholesale lending to assess participating financial institutions (pfis)

1. Background:

Since advertising the above tender in MyGov on 28th November 2023, we have received several queries relating to the expected outcomes of the assignment and the format of submitting the financial proposal.

This assignment involves at least the following major activities:

- a) Assessing the Deposit-taking SACCOs and MFIs who shall apply for the funding.
There are 176 deposit-taking SACCOs based on SASRA records and these are the only ones who can apply. There are 14 licensed MFIs as at October 2023 based on Central Bank of Kenya records on their website. Attached is the list of these institutions.
- b) Carrying out due diligence on a need basis on the borrower to ascertain major information provided in the application including site visit.
- c) Hand-holding the successful applicants till they are properly onboarded. This shall include inducting them on the expected reporting standards as per World Bank guidelines.

The World Bank money is being received in Tranches and the first batch is KES 450 million. Disbursement of the next batches is subject to successful loaning out of the first batch and so forth. For this reason, the consultant is crucial in ensuring an expedited exercise but not ignoring the risk involved in lending.

2. Proposal Costing

After much discussion and based on the initial Terms of Reference it has been noted there is likely to be much disparity in price as submitted by the consultants. It is not very practical from a control point of view to have activity-based costing per application processed as it is not very possible to know the number of man-hours to be spent per application.

For this reason, it is hereby proposed that consultants shall charge a one-off cost per every Tranche they help to disburse to borrowers, for example, 0.01% -1% of Tranche. **The consultant to specify their specific rate on their proposal.**

Where it is found necessary to go to the ground the consultant shall submit prior for approval the costs of the trip mainly accommodation and travel costs. The travel cost reimbursement shall be based on AA of Kenya rates for not more than a 2000cc engine. The accommodation rates shall be paid as per government night-out allowances (Per diem).

3. Extension of the closing date

Because of these requirement changes the closing date is hereby extended to **Wednesday 20th December at 12.00Noon.**
